We do not charge you a fee for our services. Whichever lender we introduce you to, we will typically receive commission from them. All of the lenders we work with could pay commission at different rates. The amount of commission we receive is variable depending on the amount you borrow, the term of the agreement and the interest rate that you pay, which may have an impact on the total cost of credit.

For your re assurance our aim is to secure the most appropriate finance for you at the lowest interest rate available from our panel of lenders. **Conflicts of interest**
